## NICK EVERY

Sooo...a home-girl of mine put me onto this dude Nick Every. Told me he had sum dope ish' coming out and knowing my love for the culture, stressed that I would be feelin' it once I checked him. Mah dude does indeed have quite the ill line up of pieces for his first major clothing collection. Shouts to my girl Kelly Mack aka KDubs and Nick Every for droppin' some smooth shit out the gate. Hope nothing but good things come of your obvious hard work. Peep the Collection here.
