Update On Nick Every's "Respect The Change" T-Shirt

Due to a sick demand for Nick Every's "Respect The Change Version 2" t-shirt, they have accelerated their business plan and opened their [website](#) to make this t-shirt available for purchase (Free Shipping). They will be working on the [website](#) to make the rest of their dope clothing line available as time passes, but you wanted the t-shirt, so they made it available to ya! If you are in the NYC area and would like to pick it up in person, it is also available at "Invert" in Coney Island @ 2418 MERMAID AVE, BROOKLYN NY and as always, you can hit up their myspace [here](#). Please show your support. Peace
